

HOLD ON

(Cleophus Robinson Jr)

Hold on, just a little while longer
Hold on, just a little while longer
Hold on, just a little while longer
Everything is gonna be alright

Hold on, just a little while longer
Hold on, just a little while longer
Hold on, just a little while longer
Everything is gonna be alright

Pray on, just a little while longer
Pray on, just a little while longer
Pray on, just a little while longer
Everything is gonna be alright

Sing on, just a little while longer
Sing on, just a little while longer
Sing on, just a little while longer
Everything is gonna be alright

Hold on, just a little while longer
Hold on, just a little while longer
Hold on, just a little while longer
Everything is gonna be alright

Hold on, just a little while longer
Hold on, just a little while longer
Hold on, just a little while longer
Everything
Everything
Everything is gonna be alright
