

HE TURNED IT

(Tye Tribbett)

Yes there were times in my life
when I thought I would never make it
I almost went down, I was out
for the count, I was through
But it was then when I thought
it would end, that I stood up again and
What hell had for evil,
God turned it around for my good

The devil thought he (had me)
He thought my life was (over)
He thought that I would (give up)
He thought I had no (more)
But that's when someone (greater)
Stepped in my (situation)
My morning has now (begun)
He turned it

Sometimes I look back and I don't know
how in the world I made it
All of those nights I would cry my heart
so filled with pain
Worry consumed me, my whole life
revolved around fear and stress
Tired and weak I just could not
compete anymore

The devil thought he (had me)
He thought my life was (over)
He thought that I would (give up)
He thought I had no (more)
But that's when someone (greater)
Stepped in my (situation)
My morning has now (begun)
He turned it

He turned it! x3

He turned my mourning into dancing
He turned my sorrows into joy
He turned my mourning into dancing
He turned my sorrows into joy

He turned it! x4

He turned my mourning into dancing
He turned my sorrows into joy
He turned my mourning into dancing
He turned my sorrows into joy

He turned it! x2

No more crying days
No more hurt and pain
No more guilt and shame
He turned it
No more loneliness
No more fear and stress
No more sadness
He turned it
[x 2]

He turned it!

He turned my mourning into dancing
He turned my sorrows into joy

He turned it! x2
